

# Spring Hill Early Learning Academy

*Imagination, Innovation, Ignite Learning*

## Components:

- Learning facilitated through play experiences
- Focus on pre-kindergarten skills
- Child-centered
- Team approach
- Introduction to school routine
- Age-appropriate social emotional learning

## Program Overview:

This program supports communication, motor, pre-academic, self-help and social skill development in a structured, child-centered environment. Learning through discovery and play is encouraged. Curricular needs are addressed through evidence-based instruction. Partnership between families and school is considered integral to the program. Children at all levels of development are included. Specialized services may be provided for children with special needs and//or severe developmental delays.

## Eligibility Requirements:

- Must reside in the Spring Hill School District.
- Must be between 3-5 years old (& not kindergarten eligible).
- Must attend a screening to determine eligibility:
  - Screenings held monthly.
  - Contact us to schedule a screening.
