

# Easiest. Exam. Ever.

Everyone should get an eye exam every year – even if you don't think you need glasses. That's why your EyeMed® vision benefits help make it super easy to get one.

## WHY NOW?

Your eyes are always changing (you probably don't even notice it) and they might be under more strain if you use digital devices. Plus, health problems like diabetes or high blood pressure can show signs through your eyes – signs an eye exam may help you spot.<sup>1</sup>

## HOW YOUR EYEMED BENEFITS HELP MAKE EYE EXAMS EASY:

- 1 You can find a nearby eye doctor in seconds using our provider locator on [www.eyemed.com](http://www.eyemed.com) or on the mobile app.
- 2 Book an appointment online at many locations – whenever and wherever it's convenient for you.<sup>2</sup>
- 3 If you stay in-network, simply pay your exam copay (if you have one) and we'll take it from there. No claim to file. No hassles.
- 4 Enjoy members-only discounts available on [www.eyemed.com](http://www.eyemed.com) or on the mobile app.

## Schedule your eye exam
